CALL FOR PAPERS

The third Decorative Surface Conference will be held in Munich, Germany, from 13 to 15 April 2011. Previous conferences were held in Amsterdam 2007 and Barcelona 2009.

The event is sponsored by a group of leading companies: DTS Systemoberflächen, KapStone Paper, Bürkle, Cruse Digital Imaging Equipment, Renolit, SESA Press Plates, and Johns Manville.

Authors interested in presenting a paper at the conference should submit an abstract to the address of the organizer. Subject of the conference will be all engineered decor materials, such as

- Technical and decorative laminates
- Thermoplastic foils
- Coatings
- Veneers

for inside as well as for outside applications.

All topics relevant for the decor industry, such as market analyses and trends, new products and applications, raw materials, basic research, manufacturing processes, environmental aspects, design and design trends of final product, wholesale and retail requirements, will be considered. No registration fee will be charged to speakers (one speaker per paper).

The conference language will be English.

SPONSORING OPPORTUNITIES

The conference offers a large variety of options for presenting your company and your products to your customers. Sponsoring benefits include:

- Company logo on conference brochures, website, books, bags, etc.
- Table top display of promotion materials at the conference foyer throughout the conference
